- Add Moonlight White (QAA)
- Delete Ivory Pearl (QX1)
- Washi-finish trim replaces aluminum trim for driver and passenger interior door pull handles (does not apply for vehicles with African rosewood interior trim)

CONVENIENCE

- Power door locks with automatic locking

SALES STRATEGY

Vibrant design that is invigorating and enriching. This statement reflects Infiniti's vision of using the principles of design to create vehicles that offer more rewarding performance, inviting interiors and intuitive technology. This modern, dynamic application of design should shape our product, our behaviors and our marketing to make Infiniti the most progressive and emotionally engaging automotive brand.

The G37 Coupe's role. The seductive shape of intense performance, the 2009 G37 Coupe is the stylish, electric icon for Infiniti as a design brand. And, as the brand's most passionate expression, it provides a powerful example of design's ability to capture the imagination through styling and performance energy through engineering. Communications will continue to present the Coupe as a bold design expression with an increased emphasis on product advantages, such as the powerful 3.7-liter VQ V6 engine, Infiniti Intelligent All-Wheel Drive, Infiniti-first Variable Valve Event and Lift (VVEL) technology, segment-leading 330 hp and the technologically advanced 4-Wheel Active Steer (4WAS).

¹ Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Cell phone not included. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

² Required XM radio and XM NavTraffic monthly subscriptions sold separately after three-month trial period. Other fees and taxes may apply, including a one-time activation fee. XM NavTraffic only available in select markets. Subscription fee is consumer only. All fees and programming subject to change. Subscriptions subject to Customer Agreement available at xmradio.com. XM service only available in the 48 contiguous United States and Canada. The XM name and XM NavTraffic are registered trademarks of XM Satellite Radio Inc. ©2008 XM Satellite Radio Inc. All rights reserved. All other trademarks are the property of their respective owners.

³ The RearView Monitor is a convenience but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you.

⁴ Optional Brake Assist with Preview is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely and be in control at all times.
